

# GRANITE LINKS

---

23 MARCH, 2020

To Our Valued Members and Guests,

The developing situation surrounding COVID-19 has impacted all of us in many unprecedented ways. Our top priority has always been the health and safety of our guests, employees and surrounding communities. New restrictions enacted by Governor Baker have led us to the decision to suspend all operations at Granite Links, effective immediately.

At this time, regular operations are expected to resume on Tuesday, April 7, though further restrictions may be imposed by federal, state or local officials on or before that date.

We advise all members of the Granite Links community to continue to consult the Centers for Disease Control and Prevention (CDC) and the World Health Organization (WHO) for updates on COVID-19. Visit [www.mass.gov/covid-19](http://www.mass.gov/covid-19) for the most up-to-date information about COVID-19, including restrictions in place here in Massachusetts and other important alerts.

We will continue to closely monitor the situation and will provide updates as soon as more information becomes available.

Warm regards,

Gregory Tayetto  
General Manager
