OPTIONAL ADD ON

Reserved Trackman Bays *Available anytime*

At a cost of \$100 per bay, per hour, (with a maximum reservation of 2 bays, per 20 guests), your group arrives to reserved bays directly in front of your seating area. The cost includes unlimited golf balls and use of the Trackman monitors attached to the bays. Our Golf Team can assist with setting up virtual games + competitions for your group to play on the screens!

If you do not add reserved Trackman bays, we will make sure your reserved area is in front of first-come, first-served bays. If there are people using them when you arrive, as soon as they finish you are welcome to grab them! Buckets of balls are purchased separately at \$16.50 per bucket, rental irons are available for \$15 and do not contribute towards the minimum.
